

ELAINE CHAPIN MEMORIAL GOLF TOURNAMENT

4367 Humber Circle
Saint Louis, Missouri 63129
Elainememorial@sbcglobal.net

Elaine Chapin passed away November 1st, 2008 after a long battle with Multiple Sclerosis. Elaine was the kind of person that everyone loved and she always seemed to find a way to stay positive and keep a warm smile on her face, even in her final days. One of her proudest moments was the day that her son graduated from college. She would be thrilled to know that her name was associated with granting students an opportunity to receive a college education. Although she is missed by her family and friends, her spirit lives on.

Please join us for the 1st Annual Elaine Chapin Golf Tournament to be held Saturday, June 6, 2009. The day will be filled with fun, friends, food and drinks. Your participation with this event will not only keep one of Elaine's dreams alive, but will also benefit the dreams of others. Proceeds from the golf tournament will go to the Elaine Chapin Memorial Scholarship Fund. This scholarship provides funding for post-secondary education of students impacted by multiple sclerosis, either directly or as a family member.

We look forward to seeing you there.
