

# The 17th Annual Columbia Firestone Tournament

## Kids are Priority One

For the past 17 years, Columbia Firestone and the Columbia Kiwanis have served the community and their children.

From bringing the circus to town or giving deserving graduates scholarships so they can pursue higher education, the Columbia Kiwanis Club is there for your child from pre-birth to 18!

We believe that young children are Priority One and 100% of the profits made from the tournament will benefit the Columbia Kiwanis Foundation in their pursuit to make our community a safe and educational experience for the children.

When your team signs up for this tournament, know that you are not just playing golf with your friends, you are also making our community brighter.
